

PEANUTS Cafe NAGOYA

Snoopy doesn't do anything special and takes it easy on sunny days. Then at the end of the day, he says to himself, "This has been a good day!" Being located by a park with greenery and a clear view of the sky, it is a cozy place where you can be yourself just like how people are on the west coast of America, where PEANUTS was born.

It is like a "cottage", a special place where people have a relaxing vacation. PEANUTS Cafe Nagoya offers visitors a pleasant time in which they can treat themselves to a quality "me time" like the Peanuts Gang members with unique personalities.

" THIS HAS BEEN A GOOD DAY! "
